## The President’s Message

Wait, don’t put Altrusa business on the back burner until the August picnic! The Yearbook is being put together and we would like your input. Over the last year you have participated in many projects and club duties. Some projects need renovation or just placed in the Altrusa memory box with honor. In determining committee chairmen and members, it is best to have people on committees that have the person’s interest. With this said, I will be distributing a survey at the June meeting to have members indicate where their interest lies. The committee assignments will be made with this process in mind.

Lena Gibson (Winkler), Director of Palliative Medicine at OhioHealth Marion General Hospital, will be at the June

meeting to explain the Hospice and Palliative care services in our community. While trying to get more information about the program since our spring flower sale is to support this service, I have heard nothing but praises for this doctor and her mission. This is an opportunity to get information that you may want to share with family and friends.

We carefully evaluated each of the thirty-seven applications and feel confident that we chose the best qualified, closest to our guidelines, and most deserving candidates. It was a pleasure to present a certificate to each of these appreciative young adults.

### Dress for Success

Ladies, please mark your calendars with the tentative date for our 8th annual Dress for Success shopping day on Thursday,

August 9<sup>th</sup>. Kohl's does not have the Kohl's Cash Days scheduled this far in advance. However, we have shopped on this particular

Thursday for the last three years, so Traci from Kohl's and I are confident it will be the day.

I will send out more information as we get closer to the date. Hard to believe we need to think about back to school when school is just finished!!!!

### ***This Just In!! More News for Dress for Success!***

Jan and Roselynn are pleased to share the news that we have received a \$250 check for Dress for Success. While Norma passed on an invitation to come and speak about our project to the Women's Business Council May meeting, several non-profit projects were submitted in a drawing and The Boys & Girls Club's name was chosen. Maggie Breeding, director of the Club decided to share the \$500 donation with us!!! She said for all we Altrusans do

for them, she wanted to give us half for Dress for Success and use the other half to support their summer program. We were proud to accept \$250 to help fund another two children with shopping and filled backpacks!!!

### Another Successful Flower Sale!

The sale was again held at the Coldwell Banker building, but with the property being up for sale, we need to be thinking of another location. So, ladies, put your hats on and suggest places to have it! *Pictured above are Phyllis Hendrix, Kathy Regules, Marge Ferriman and Grace*

### June 8 is Best Friend Day!

We all know that Altrusans are our best friends!! "Best Friend Day (BFF Day) is a time to enjoy and appreciate your best friend. It's a day to honor and cherish the relationship. If you're lucky, you have a best friend. If you are real lucky, you have a number of best friends. Best friends are very, very special people. You spend countless hours with your best friend going to events and activities, or just hanging out. You share secrets, hopes, dreams, aspirations, and disappointments with your best friend.

"Some say you can only have one best friend. This author disagrees. You can have a couple at the same time, or several over time. Friends come and go for a variety of reasons, even BFFs are sometimes not forever. It's the result of many things, including moving, changing schools or jobs, and more. We hope that you are lucky enough to have a number of best friends over the years." *(From the internet . . . where else? ☺)*
